

bent beyond recognition

Glass as flexible and nimble as the creative mind? Sure! But this is no ordinary glass—it's **Bentemp®**, another **Oldcastle Glass®** exclusive. The process of bending and tempering glass is merely the beginning. By employing the most technologically advanced fabrication processes, we silk-screen, laminate, heat-treat, insulate and even offer structural glass wall systems. We also make blast resistant glazing systems and more. Oldcastle Glass® is not a manufacturer but the **largest independent glass fabricator in North America**, so we can work with all of the top manufacturers' glass to orchestrate aesthetics and performance in perfect harmony. For free information or to speak with an **experienced, architectural glass specialist**, call **1-866-OLDCASTLE**. Or visit **www.oldcastleglass.com** and log on to GlasSelect®, our comprehensive new glass specification tool that helps make specifying glass easier, faster and more accurate.

Oldcastle Glass®

Where glass becomes architecture™

The spectacular Glass Cylindrical Light Towers at the LAX Gateway, Los Angeles International Airport designed by Tod Toigo Tanaka Architects. Fabricated by Oldcastle Glass® in Bentemp®.
