

let the sun shine

Exclusive, **new SunGlass™** Solar Control Glass delivers the beauty of the sun without the heat. Now architects can specify a neutral color glass that invites the sun in without making building occupants sweat. That's because SunGlass™ delivers a combination of **unprecedented solar control and visible light transmittance**. It's the look you want with the performance you need. SunGlass™ also leaves owners smiling too—with serious **reductions in energy costs** and HVAC equipment expense. What's more, SunGlass™ reduces harmful UV rays so interior furnishings will look better, longer. And SunGlass™ is only the beginning of the most comprehensive collection of architectural glass, curtain wall and operable windows. To learn more, call **1-866-OLDCASTLE (653-2278)** or visit us online at the new **www.oldcastleglass.com**.

The Light to Solar Gain (LSG) value of Sun-Glass™ far outperforms high-performance solar control Low-E glass. The higher the LSG value, the better the glass performs at transmitting daylight and reducing heat gain from the sun.
